## INTRODUCING NEW CONCEPTS

Professionals spend over 5 hours and 41 minutes sitting at their desk. Researchers found sitting at a desk for a long time is bad for physical and mental health. Having an ergonomic office chair is still important in a professional work environment.

**LIMITED  
EDITION**

# ROSSO

High Back Chair, High density injection foam with aluminum armrest with multi-functional mechanism.

Medium Back Chair, High Back Chair, High density injection foam with aluminum armrest with multi-functional mechanism.

Visitor Chair, High Back Chair, High density injection foam with aluminum armrest with multi-functional mechanism and Chrome cantilever.
